

Innovative Communicator Accelerator Programme (ICAP)

ICAP for LEADERS

ICAP for Leaders is for anyone who wants to transform their communication and leadership skills. It's suitable for both individuals and teams.

You may need to lead your business through a period of reorganisation with no loss of performance and want to make sure you're up to the job. Perhaps your whole business culture is one of confusion and declining profits and you need to win hearts and minds as you effect change.

Whichever, ICAP for Leaders will help you develop the skills you need to connect with people and drive lasting success.

Programme outline

- To define what it means to be an Innovative Communicator
- To discuss the current global landscape and the impact it has on business
- To explore the importance of self-awareness and the impact of psychometrics
- To examine varying relationships and influencing styles
- To engage in winning hearts and minds
- To develop an awareness of working styles within teams
- To inspire others through authentic leadership
- To measure and evaluate return on investment
- To implement a personal and business strategy
- To participate in an interactive case study
- To reflect and build a personal ongoing action plan
